

Modern Work Starter Bundle

The Frontline Apps Modern Work Starter Package helps accelerate digital transformation for pool and spa businesses. Powered by Microsoft AI Business Solutions, this package includes streamlined onboarding, one year of Microsoft licensing, and ongoing support.

Onboarding & First Year of Licensing and Support: \$7,500

Kickstart Your AI Readiness with the Modern Work Starter Bundle: Get all of the following for one simple, predictable price.

- **Role-based licensing for 10 users**—right tools for each role, predictable costs.
- **Eight-week engagement program**—workshops + office hours for a smooth go-live.
- **Protect email, website, domain, and internet settings**—guided by us, approved by you.
- **Microsoft 365 baseline**—co-designed standards across your entire team.
- **OneDrive as personal hub**—coached setup for safer, findable files.
- **Teams + SharePoint**—templates and training to keep work in sync.
- **Microsoft Bookings**—branded customer self-service scheduling; less phone tag.
- **AI readiness only**—organized content and access now; Copilot later.
